Suggestions and Expectations

This curriculum unit can be used in a variety of ways. Each section of the novel study focuses on several chapters of *Ophelia and The Marvelous Boy* and is comprised of five of the following different activities:

- Before You Read
- Vocabulary Building
- Comprehension Questions
- Language Activities
- Extension Activities

Links with the Common Core Standards (U.S.)

Many of the activities included in this curriculum unit are supported by the Common Core Standards. For instance the *Reading Standards for Literature, Grade 5*, makes reference to the following:

a) determining the meaning of words and phrases... including figurative language;
b) explaining how a series of chapters fits together to provide the overall structure;
c) compare and contrast two characters;
d) determine how characters ... respond to challenges;
e) drawing inferences from the text;
f) determining a theme of a story... and many others.

A principal expectation of the unit is that students will develop their skills in reading, writing, listening and oral communication, as well as in reasoning and critical thinking. Students will also be expected to provide clear answers to questions and well-constructed explanations. It is critical as well that students be able to relate events and the feelings of characters to their own lives and experiences and describe their own interpretation of a particular passage.

A strength of the unit is that students can work on the activities at their own pace. Every activity need not be completed by all students. A portfolio cover is included (p.7) so that students may organize their work and keep it all in one place. A Student Checklist is also included (p.6) so that a record of completed work may be recorded.

This is the story of unlikely heroine Ophelia Jane Worthington-Whittard who doesn't believe in anything that can't be proven by science. On her very first day in the museum Ophelia discovers a boy locked away in a long forgotten room. He is a prisoner of Her Majesty, the Snow Queen. And he has been waiting for Ophelia's help.

As Ophelia embarks on an incredible journey to rescue the boy everything that she believes will be tested. Along the way she learns more and more about the boy's own remarkable journey to reach her and save the world.

A story within a story, this a modern day fairy-tale about the power of friendship, courage and love, and never ever giving up. (Courtesy of Amazon.com)

Fascinating Facts

In the first chapter of our novel Ophelia implied that human beings are part of the primate family tree. However, contrary to this popular belief, there is actually no credible scientific evidence to support the theory that humans are descended from primates. Columnist Albert Fleischmann once wrote; “The Darwinian theory of descent has not a single fact to confirm it in the realm of nature. It is not the result of scientific research, but purely the product of imagination.”

Language Activity

A. There are many writers that enjoy using alliteration – a literary device is where the author repeats the same sound at the beginning of several words. Here’s an example of an alliteration: “grousing, grouchning, grumbling, gripping about something or other.”

Using your imagination, create your own examples of alliteration from the following topics. Each example must contain a minimum of three words.

<table>
<thead>
<tr>
<th>The sounds of a schoolroom</th>
</tr>
</thead>
<tbody>
<tr>
<td>The sights of a museum</td>
</tr>
<tr>
<td>One from your own imagination.</td>
</tr>
</tbody>
</table>
B. A **simile** is a comparison using the words “like” or “as”. Here's an example from Chapter One: "All the while that summer, everyone was waiting for her. The Snow Queen, I mean. At first it seemed like the refugees appeared from the north, skinny and starving, children, mainly, who had managed to escape her. They said she had teeth like razors and hair like a blizzard and she carried a sword called the Great Sorrow."

What two things are being compared in this example?

Invent your own **similes** comparing the following items with something from your own imagination:

a) Children exploring a museum.

b) A magician performing an illusion.

C. **Self Reflection**

Take a few minutes to answer the following questions on the topic of **self reflection**.

<table>
